SUBMISSION RELEASE AND GRANT OF RIGHTS

This Submission Release and Grant of Rights (“Release”) is entered into by Tuttle Twins Show, LLC, located at 55 North University Avenue, Suite 223, Provo, Utah 84601 (“Company”), and the individual signing below (“Submitter”). If Submitter is under 18, this Release must be signed by Submitter’s parent or legal guardian on Submitter’s behalf, and “Submitter” includes that parent or guardian as the contracting party.

1. Submissions

“Submission” means any artwork, drawing, illustration, design, photograph, video, audio, writing, or other material that Submitter delivers to Company at any time, together with any name, caption, or description provided with it. Submissions may depict characters, settings, or other elements of the Tuttle Twins franchise owned by Company or its licensors (the “Company IP”) or may consist of wholly original material created by Submitter (“Original Material”).

2. Company IP

All right, title, and interest in the Company IP remains the exclusive property of Company and its licensors. Any Submission depicting Company IP is a derivative work, and Submitter acquires no ownership in the Company IP and may not exploit such Submission except as Company may permit in writing.

3. Grant of Rights

Submitter irrevocably grants Company an exclusive, perpetual, throughout-the-universe, royalty-free, fully paid-up, sublicensable, transferable license — and, to the maximum extent permitted by law, hereby assigns to Company all right, title, and interest, including all copyright and other intellectual property rights — in and to the Submission and all Original Material in it. To the extent the Submission qualifies as a “work made for hire” under the United States Copyright Act, the parties agree it shall be deemed a work made for hire authored and owned by Company. Company may use, reproduce, modify, adapt, animate, redraw, restyle, create derivative works from, combine with other content, publish, display, perform, distribute, broadcast, stream, merchandise, and otherwise exploit the Submission, in whole or in part, in any media now known or later developed, for any purpose, including commercial and promotional purposes, with or without credit to Submitter, and with no obligation to use the Submission at all.

4. Moral Rights Waiver

To the maximum extent permitted by law, Submitter waives and agrees not to assert any rights of attribution, paternity, integrity, modification, disclosure, or withdrawal, or any other rights anywhere in the world known as “moral rights,” “artists’ rights,” or “droit moral,” in the Submission, and consents to any modification or use by Company.

5. Name, Likeness, and Credit

Company may (but need not) identify Submitter by first name only if a minor, or by full name, age, city/state, or screen name if so elected on the submission form. If Submitter provides or requests a particular display name, screen name, pen name, character name, or other credit (a “Credit Name”) on the submission form or otherwise in writing, Submitter consents to Company’s use of that Credit Name in connection with the Submission and any related promotional or commercial uses, and represents that Submitter has the right to use it. If Submitter appears in any video, photograph, or recording delivered to or made by Company, Submitter grants Company the perpetual, throughout-the-universe, royalty-free right to use Submitter’s name, voice, image, and likeness in connection with Company’s productions and promotional activities.

6. Representations and Warranties

Submitter represents and warrants that: (a) Submitter is the sole creator and owner of all Original Material in the Submission; (b) the Submission does not infringe or violate any third-party copyright, trademark, right of publicity, right of privacy, or other right; (c) Submitter has not granted conflicting rights to any third party; (d) the Submission contains no unlawful, defamatory, obscene, or otherwise objectionable content; and (e) Submitter has full authority to enter into this Release and grant the rights granted.

7. No Compensation; Release; Equitable Relief

Submitter acknowledges that the opportunity to have the Submission considered and potentially used by Company is full consideration for this Release, and Submitter is not entitled to any payment, royalty, or credit. Submitter, on behalf of Submitter and Submitter's heirs and assigns, releases Company and its parents, affiliates (including Angel Studios and its affiliates), licensors, licensees, officers, employees, and agents from any and all claims, whether known or unknown, arising out of the Submission, this Release, or Company's use, non-use, or modification of the Submission, including claims for infringement, right of publicity, defamation, invasion of privacy, or emotional distress. Submitter expressly waives the protections of California Civil Code §1542 (and any similar law of any other jurisdiction), which provides: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party." Submitter acknowledges that monetary damages may be inadequate for any breach of this Release and that Company shall be entitled to seek injunctive relief, specific performance, and other equitable remedies, in addition to any other remedies available at law or in equity.

8. Indemnification

Submitter shall indemnify and hold harmless Company and its parents, affiliates (including Angel Studios and its affiliates), licensors, licensees, officers, directors, employees, and agents from and against any and all claims, damages, losses, costs, and expenses (including reasonable attorneys' fees and court costs) arising out of or relating to any breach by Submitter of the representations, warranties, or obligations in this Release.

9. No Confidentiality; Independent Development

The Submission is not confidential, and no confidential or fiduciary relationship is created. Company regularly develops and receives creative material, and material similar to the Submission may be independently created or acquired by Company; Company has no liability for any such similar material.

10. Minor's Consent

If Submitter is under 18, the parent or guardian signing below represents they have legal authority to bind the minor, agrees to be personally bound by this Release, and agrees to indemnify and hold Company harmless from any claim by or on behalf of the minor inconsistent with this Release upon the minor reaching the age of majority.

11. Further Assurances; Power of Attorney

Submitter agrees to execute any further documents reasonably requested by Company to perfect, register, or enforce the rights granted under this Release. Submitter hereby irrevocably designates and appoints Company and its duly authorized officers as Submitter's agent and attorney-in-fact to execute and file any such documents on Submitter's behalf. This power of attorney is coupled with an interest and is irrevocable.

12. Miscellaneous

This Release is governed by the laws of the State of Utah, without regard to its conflict-of-laws principles, with exclusive venue in the state or federal courts located in Utah County, Utah. It constitutes the entire agreement of the parties regarding its subject matter and supersedes all prior understandings. If any provision is unenforceable, it shall be deemed amended to the minimum extent necessary to make it enforceable, and the remainder shall remain in full force and effect. No failure or delay by Company to enforce any provision shall operate as a waiver. Company may freely assign this Release; Submitter may not. This Release may be executed in counterparts, and an electronic signature has the same legal effect as a handwritten signature.

Acknowledgment and Signature

This Release is signed digitally on the application form. By typing the parent or legal guardian's full legal name as the digital signature and checking the consent box on the form, the parent or legal guardian acknowledges that they have read, understand, and agree to this Release on the Submitter's behalf, and represents that they have legal authority to bind the minor Submitter. The Submitter's and parent/guardian's name(s), age(s), email, phone, and city/state are those provided on the application form. An electronic signature has the same legal effect as a handwritten signature.
